

A report on the 1034th meeting will be delayed until the next bulletin. Please note that if you want to attend the banquet, payments must be received by June 19. While you are writing a check, you may want to add another PCNS medal to your collection.

PCNS 1000th meeting medals are still available. The set includes both a proof silver and an antiqued bronze specimen and is only \$30 plus postage and insurance.
