

PCNS Minutes for June 24, 2023

The 1 PM meeting of June 24, 2023- meeting #1286- was our annual barbeque graciously hosted by Federico Castillo. The dress code of tropical shirts was mostly followed. In attendance besides Federico, his wife Angela and son Federico Jr., were President Jason Macario, Vice President Bill Hyder and Yvonne Mendy, Treasurer Stephen Huston, Secretary Charlie Catlett, Governors Ed Treuting and Mike McDaniel, Michael and Camille Wehner, Lloyd Chan, Michael S. Turrini, Doug Ward, and Paul Turner.

The meal included various homemade salads, guacamole, salsas, grilled veggies, grilled meats (sausage, chicken, tri-tip, and flank steak), and desserts (homemade flan, watermelon, and macarons). There were plenty of beverages supplied.

There was a bit of business as well. A medal was prepared for Jeff Pritchard for his first presentation to the Society, although he was not able to attend the barbeque.

Winners of the papers contest were announced. From the two entries, the second place was Bill Hyder's "An 1876 Centennial Double Eagle Pictorial Shell Card". First place went to Michael Wehner's "Nobel Prize Medals". Congratulations!

Near the end of the afternoon, we held a drawing, with the following winners (in order):

Doug: PCNS 800th Meeting medal

Paul: 1980-S US Mint Proof Set

Bill: Collection of west coast tokens from Jerry Schimmel

Federico: 1971 Uncirculated 40% silver Eisenhower Dollar

Mike: Collection of bar tokens from Jerry Schimmel

Adjournment was some time around 4 or 5 PM. The next regular meeting will be the July 26, 2023.

Respectfully submitted,
Charlie Catlett, Secretary PCNS
