

## PCNS Minutes for June 22, 2024

The June meeting, general meeting # 1298 of PCNS, was held in person on a beautiful sunny day in Berkeley, commencing at 1PM. In attendance were President Jason Macario, Vice President Bill Hyder and Yvonne, Treasurer Stephen Huston, Secretary Charlie Catlett, Governor Ed Treuting, Toti Paliza, Scott Safe, and Federico Castillo. The delicious barbeque consisted of grilled meats and vegetables, rice, beans, salad, appetizers, beverages, and dessert- with thanks to our gracious host Federico for the preparation.

After we all had our fill of food and good conversation, a drawing was held by Jason, which generated \$50 for the club. Winners and their prizes were: 1904 Louisiana Expo medal: Scott; PCNS 800th Meeting medal: Ed; 1976 Bicentennial First Day Cover w/Jefferson medal: Federico; 1992 Endeavour Maiden Flight medal: Bill; Mixed bag of coins, tokens, medals from Jerry Schimmel: Bill; 1989 SF Marathon completion medal + Ren Faire medal: Charlie; 1959 & 1960 dimes (3): Scott; Coins of the World book: Toti.

Next was a presentation of awards. Two people were awarded medals for giving their first presentation to PCNS: John Duff and Matt Ruttley.

For the 2024 Papers competition, there were four papers to judge from. Second Place went to Michael Wehner, and First Place went to Stephen Huston.

The very first PCNS Presentations Award, for Best Presentation of 2023, went to Jeff Pritchard. Congratulations to all the winners.

Finally, we all gathered for a group photo of the (mostly) tropical-shirt clad members. The barbeque ended at approximately 4PM.

The next meeting will be on July 24, 2024.

Respectfully submitted,  
Charlie Catlett, Secretary PCNS
